### NEW! Interest in sharing container space \_\_\_\_\_

It should be possible to organise container storage at the Test site in 2020. Please indicate if you are interested in reserving space for your skis/snowboards in a container (avoiding the daily trek to and from the car park). We anticipate the cost to be around £80-100 per brand depending on the number of skis/snowboards. Details will be circulated once the number of interested brands is confirmed.

**Product** you intend to bring. The suggested number of skis/snowboards is from 20 to 40 pairs per brand although there is no upper limit. (All skis/snowboards to be mounted with suitable demo bindings).
